Strawberry Information**Strawberry Frost/Freeze Alert - Weekend Update**

E-WEATHER FROST/FREEZE ALERT FOR THE THE SOUTHEAST

Issued: 03/11/00

GENERAL SUMMARY

After the storm departs Saturday night, much colder weather will replace the unusual warmth that prevailed much of this month. This cold air will remain in the region through Tuesday. Temperatures could fall to freezing by daybreak Sunday in a few places. Widespread frosts and freezes are likely early Monday morning and again Tuesday morning.

STATE-BY-STATE SUMMARY

NORTH CAROLINA, SOUTH CAROLINA, GEORGIA

Gradual clearing late Sunday night with an isolated frost possible. Low temperature 31-39F. Clear and cold early Monday morning with frosts and freezes, Low temperature 26-32F. Dew points will be in the 20s with light and variable winds. It will not be as cold early Tuesday morning with lows of 32-40.
